CRED Observes International E-Waste Day 2025

Imphal, October 14, 2025

Centre for Research on Environmental Development (CRED), Manipur, is observing International E-Waste Day 2025 today. As part of the celebrations, CRED will be collecting e-waste from various institutions and individuals across the region.

We urge everyone to donate their e-waste to CRED, promoting responsible recycling practices. Remember, e-waste isn't trash – it's treasure when recycled right! Be smart, be responsible, and join hands in protecting our environment.
